Lederbrev nr. 4 – oktober 2026

Kære WSJ-ledere (IST, NHQ, Foodhouse og tropsledere)

I dette lederbrev kan I læse om telte, køb af ekstra særpræg, bestilling af kontingent-tøjpakken, Rosterfy og jamboree registrering - og for IST'ere er der lidt nyt om IST-weekenden 12.-14. marts 2027, valg af IST job og nyt fra Polen om IST program mm.

Telte

Vi skal selv medbringe telte til Polen – og vi skal både bruge dem på rundrejsen (på campingpladsen i Zakopane) og på jamboree'en.

Campingpladsen og lejrpladsen på jamboree'en er ikke vildt store, så der er ikke plads til at alle har sit eget telt med – og der er heller ikke plads til at man sover to personer i et 6-personers telt.

Tropslederne sørger for at troppene har telte med. De fleste tropsspejdere vil nok kunne låne et telt hjemme i gruppen til at have med. Også for troppene gælder at pladsen til telte er begrænset – så tænk over hvilke telte I gerne vil have at spejderne medbringer, så pladsen udnyttes bedst muligt. Og husk at teltene er en del af bagagen og derfor skal bæres fra bussen til lejrpladsen på jamboree'en. Så hvis troppen gerne vil bo i gule Kitkat-telte, så kræver det at der er nogle stærke spejdere til at bære dem hen til lejrpladsen. Men det vil jo se flot ud på lejrpladsen!

For IST, NHQ og Foodhouse er teltene også en del af bagagen og skal bæres med rygsækken til lejrpladsen på jamboree'en. De fleste af jer vil nok kunne låne telt i jeres spejdergruppe – og der er sikkert også nogle af jer der har et telt selv. Overvej mulighederne inden IST-weekenden – og så finder vi ud af hvem der sover sammen i teltene, og hvem der har telte med, når vi mødes på IST-weekenden til marts.

Vejrforholdene i Polen, når vi rejser, er som på en dansk sommerlejr – der er ingen farlige kryb eller muldvarper og lejrpladsen på både campingpladsen og jamboree'en er flade og med græs.

Særpræg

Alle får udleveret 1 drikkedunk, 10 kontingentmærker, 3 kontingenttørklæder, 3 tørklæderinge og en kontingenttøjpakke der består af 2 t-shirts og en fleece.

Herunder ses eksempler på nogle af tropstørklæderingene. Der bliver selvfølgelig lavet med hver af troppenes logoer – og også et til IST og et til NHQ.

Vi har valgt Hammershus som logo for IST og Foodhouse, og Roskilde Domkirke til NHQ.

Tørklæderingene er i stof - vævet i sort og hvid og med rød kant og har en trykknap, så man kan lukke tørklæderingen omkring tørklædet.

Bestilling af kontingenttøjpakken

Der er sendt en email med en individuel gavekode til alle IST, NHQ og Foodhousefolk. Gavekoden skal bruges til at bestille kontingenttøjpakken i WSJ-webshoppen hos Sportyfied. Mailen er sendt til NHQ 27/9 og til IST og Foodhouse 4/10 og afsendermailen er mail@wsjdk.dk. Tjek dit spamfilter hvis du ikke har set den.

Tropsledere får en email med info og 40 gavekoder i ugen op til forweekenden. Gavekoderne skal deles ud til spejderne på forweekenden (tre troppe har allerede afholdt weekend og har fået koder).

Der er frist for bestilling af kontingenttøjpakken 1. december 2026

Køb af ekstra mærker, tørklæder og tørklæderinge

Det er muligt at købe ekstra kontingentmærker, tørklæderinge og tørklæder på denne side: https://tilmelding.spejderne.dk/event/id/8/register

De ting du køber bliver delt ud sammen med det øvrige kontingentsærpræg i foråret 2027. Det er kun deltagere i det danske kontingent der kan købe på siden, og det er kun muligt at lave ét køb.

Når du køber noget får du en 'tilmeldingsbekræftelse' fra systemet. Det skal du ikke tage dig af. Det er bare fordi vi bruger Spejdernes tilmeldingssystem til salget.

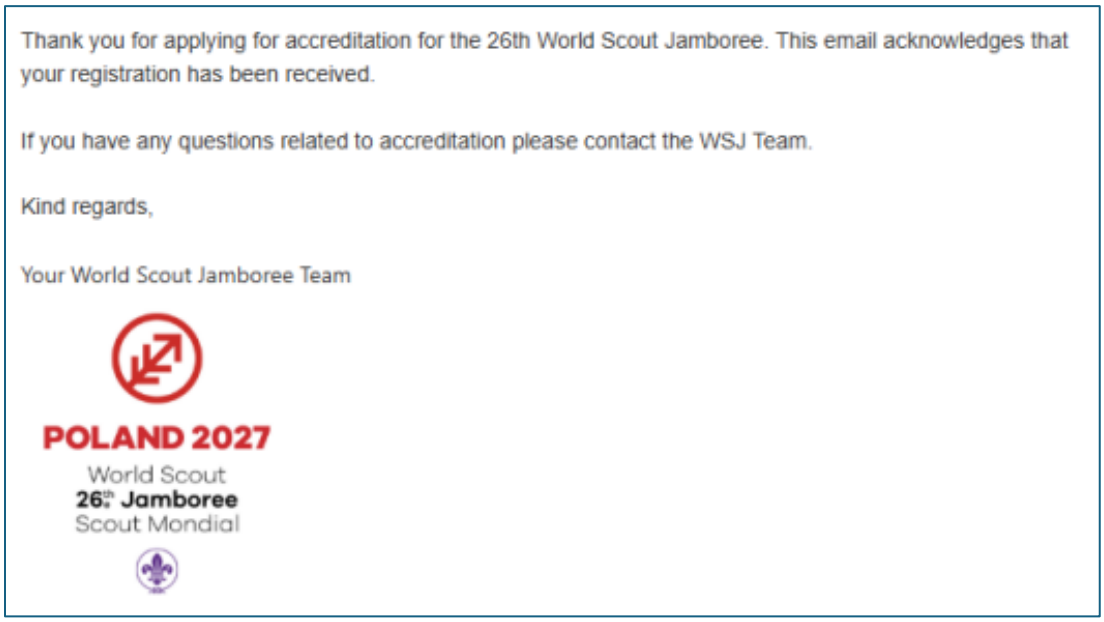

Det bliver måske muligt at købe flere af tingene senere – hvis der er ekstra tilovers efter udlevering og salg. Men det er ikke sikkert, da vi som udgangspunkt kun får fremstillet det antal der bliver solgt og skal udleveres.

Rosterfy og Jamboree registrering

På et tidspunkt i løbet oktober eller november vil alle ledere i kontingentet (IST, NHQ, Foodhouse, og tropsledere) blive registreret i det polske Jamboree registrerings-system (det sørger vi i JU for). I den forbindelse vil I modtage to emails:

- En mail fra afsenderen *'WSJ 2027 Accreditation Department'* der bekræfter at du er meldt til lejren.
- En mail fra afsenderen *'IST Support Department'* med et link til Rosterfy. **Alle** ledere får denne mail (også NHQ, Foodhouse og tropsleder) – så I skal ikke tage jer af at afsenderen er IST support.

Den første mail er bare til orientering og ser sådan her ud:

Thank you for applying for accreditation for the 26th World Scout Jamboree. This email acknowledges that your registration has been received.

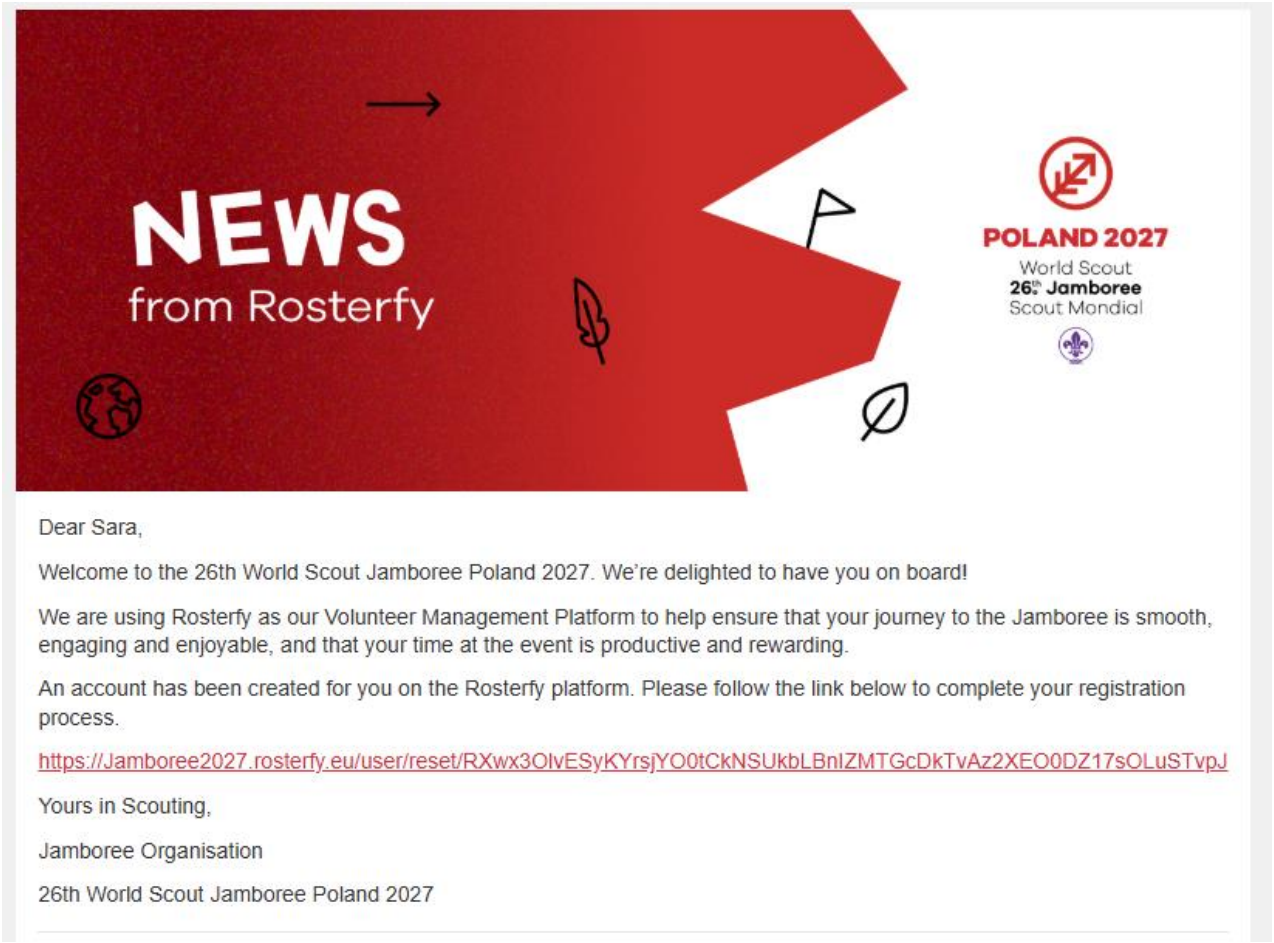

If you have any questions related to accreditation please contact the WSJ Team.

Kind regards,

Your World Scout Jamboree Team

Den anden mail ser sådan her ud, og indeholder et link til Rosterfy platformen. Den kommer nok først dagen efter første mail.

Dear Sara,

Welcome to the 26th World Scout Jamboree Poland 2027. We're delighted to have you on board!

We are using Rosterfy as our Volunteer Management Platform to help ensure that your journey to the Jamboree is smooth, engaging and enjoyable, and that your time at the event is productive and rewarding.

An account has been created for you on the Rosterfy platform. Please follow the link below to complete your registration process.

Yours in Scouting,

Jamboree Organisation

26th World Scout Jamboree Poland 2027

Når du får Rosterfy-mailen skal du klikke på linket i mailen. Så kommer du til en side hvor du kan danne et password til din Rosterfy-bruger.

Hvis linket i mailen ikke virker så gå til denne side: https://jamboree2027.rosterfy.eu/login og tryk på 'Forgotten your password' så får du en mail med et link til at sætte password med det samme.

Dit brugernavn i Rosterfy er din email.

Rosterfy er det system hvor alle ledere (NHQ, Fodhouse, TL, og IST) skal gennemføre Safe from Harm online-kursus (til foråret 2027).

Safe from Harm kurset er ikke tilgængeligt i systemet endnu, men der er allerede nu forskellige onlinekurser, som er frivillige at gennemføre. Disse findes under 'Training'

Det er også i Rosterfy at IST'ere skal udfylde 'skills' (kompetencer) og ønske IST-jobs og senere gennemføre onlinekurser ifm. IST-jobs.

Vi har lavet en vejledning til hvordan man udfylder 'skills' og ønsker IST-jobs i Rosterfy. Den får alle IST på mail og den bliver lagt på hjemmesiden her (hvor IST-job kataloget også er): https://wsjdk.dk/information/ .

Fristen for at udfylde 'skills' og ønske IST-jobs er 1. februar 2027.

Training and Development

Being an IST is not just about work and fun, we hope that every IST takes the opportunity to develop themselves. The IST Training and Development framework operates through three progressive phases:

- Delivered through learnings at Rosterfy online platform, **"Base Camp"** equips all IST members with essential knowledge, skills, and attitudes necessary for their mission: basic Jamboree operations; Scouting values and intercultural competence; emergency procedures and protocols, etc.
- On-site training delivered at the start of the Jamboree – **"Explorer tracks"** help IST discover how to play their roles within their departments. Focusing on technical skills - logistics, emergency management, and programme coordination. department-specific procedures and protocols and role-specific safety requirements.
- **"Horizon Exploration"** invites IST to reflect on their experience, connect with their new networks, and stay engaged after the Jamboree through legacy actions and continued community involvement. Recognisżing IST's contribution is a key part of valuing their engagement and supporting their future development within and beyond Scouting. A digital certificate will confirm the participation and contribution of the individual IST.

IST weekend 12. – 14. marts 2027

IST-weekenden kommer til at foregå på Ejerslykkeskolen i Odense. Skolen ligger ca 1 km fra den skole hvor vi afholdt lederweekenden i marts 2026.

Overnatning vil foregå i klasselokaler og det vil være muligt at komme fra fredag kl. 20, hvor der vil være socialt samvær og hyggeligt gensyn indtil selve programmet starter lørdag kl. 10. Vi slutter søndag kl. 10. Mere info og tilmeldingslink mm sendes ud i januar 2027.

Nyt fra Polen om IST program

IST Programme

Being an IST at WSJ Poland 2027 means far more than volunteering. The programme is built around the belief that every IST deserves a genuine Jamboree experience of their own alongside their service, and in the time beyond their duties.

Off-duty time opens a wide range of possibilities; from active and social moments to learning, exploration, and rest. From midday onwards, the IST campsite begins to buzz with activity. The iconic Black Magic Tent opens its doors for board games, brick-built creationsLEGO building, and facilitated talks, before transforming each evening into a lively venue with concerts and karaoke nights.

Across the site, there is always something happening; from sports and outdoor challenges to more relaxed ways of spending time. The Chill-Out Area, with spaces for rest, quiet activities, and wellbeing, offers a chance to slow down and recharge. Those looking to explore further during their free time can also head offsite to Gdańsk, discovering its history and culture or simply spending time by the Baltic Sea.

Whatever your energy level, there is always something waiting and always a way to make the experience your own.

IST Programme areas and paths

The IST programme is built around five main areas, giving volunteers a wide range of activities to choose from. Everyone can pick what fits their interests and energy. Each person's choices will shape their Jamboree path-—alone, with friends or with new friends, and bring new experiences to take home.

Adventure is all about action. Enjoy swimming and water games at the beach, go hiking, or stay in the campsite for camp walks, scavenger-hunt games, and morning or evening runs.

Chill Out is the place to rest. In the Chill-out Plaza you can relax in hammocks, read a book, try meditation or yoga, and use a small sauna or salt-water foot baths. It's designed for quiet time and recovery.

Culture lets you discover music, food, and local life. Join beach hangouts, campfires, music quizzes, playing instruments, or group singing and dancing. Off-site options include self-guided city tours and visits to museums in the beautiful city of Gdańsk.

Fun keeps the camp lively. You'll find board games, karaoke, a LEGObrick-build corner, quizzes, and speed-friending; classic IST activities such as badge swapping and relaxing at the café are joined by team sports like football, frisbee, and volleyball. Bigger events include IST's Got Talent and the Opening and Closing ceremonies.

Innovation is where learning and sharing happen. Take part in Scout-talks, open-space discussions, workshops, and group sessions in the Training & Exploring Tent. This area is a space for learning new skills and gaining practical knowledge that go beyond everyday service work, making time at the Jamboree a real chance to grow.

These areas don't exist in isolation — they are the building blocks of a personal journey through the Jamboree. To help ISTs make the most of their free time, the programme offers a set of optional paths: curated frameworks that combine activities from across the five areas into a coherent personal experience. Each path has its own flavour and focus, drawing more heavily from some areas than others, but no path is rigid. Rather than a fixed schedule, a path gives each IST a loose guide — suggesting which types of activities and which combinations of themes to seek out, while leaving the actual choices entirely open. If a path calls for something physical and self-focused, you might choose a morning run, some time at the gym or a hike somewhere, whatever fits your day. The paths are there to add shape and intention to free time without removing spontaneity, ensuring that whether you have one free hour or a full day off, you always have a sense of direction, and the choices to create your own personalised experience.

Engaging, Supporting and Recognising Volunteers

Through their hard work and dedication, the International Service Team (IST) plays a crucial role in making the World Scout Jamboree a success. Thats why it's so important to recognise that without our incredible IST, the Jamboree wouldn't be possible.

ISTs don't just come to a Jamboree to work - they want to have fun, make new friends and develop new skills while building on the ones they already have. They're looking for an experience that is both meaningful and rewarding, giving them the chance to contribute, learn and connect with a global community.

Most of all they want to leave the Jamboree with amazing memories and the feeling that they were a valued team member in a role that truly made a difference.

Engaging

Every IST member will have the opportunity to choose a role that complements their skills and interests. To ensure they are prepared for this role they will complete via an e-learning platform two types of pre-Jamboree training: IST Induction Training and Safe from Harm Training.

Before the event, we will provide a warm welcome and essential information including top tips to ensure the IST are fully prepared and feel confident about their role at the Jamboree.

Supporting

- IST will also have an opportunity to take part in online Role Specific Training with their team.
- Throughout the Jamboree, continuous learning opportunities will be offered through workshops and training sessions, enhancing skills that will benefit IST members beyond the event itself.
- The "**IST Feedback System**" allows volunteers to share their thoughts, report challenges, and suggest improvements, ensuring their voices are heard.

Recognising

- Recognition is an essential part of the IST Experience.
- The "**IST Experience Award**" acknowledges their hard work, training, and contributions in a unique and very visual way, that will not only recognise and reward the ISTs, but also inspires others to achieve as well!
- The "**Thank You Programme**" provides every IST member with a digital certificate of achievement, those ISTs that go above and beyond will get an enhanced certificate highlighting their exceptional service.
- The IST Programme will help all ISTs to "bravely" create their own individual path through the Jamboree. This path will be guided by their own interests, challenges and knowledge, uniquely allowing the IST to choose and create part of their own experience. Whether they take part in with new friends, old friends or even alone, the IST will have the opportunity to discover fun, adventurous and interactive activities, to enhance their Jamboree experience no matter if it's their first or tenth time as an IST.
- The IST Experience is designed to empower, support, and celebrate every volunteer, ensuring that their time at the Jamboree is not just about fulfilling duties but about growing, learning, and making lasting memories.
